

# What Did 2015/2016 Faculty/Staff Contributions Impact?

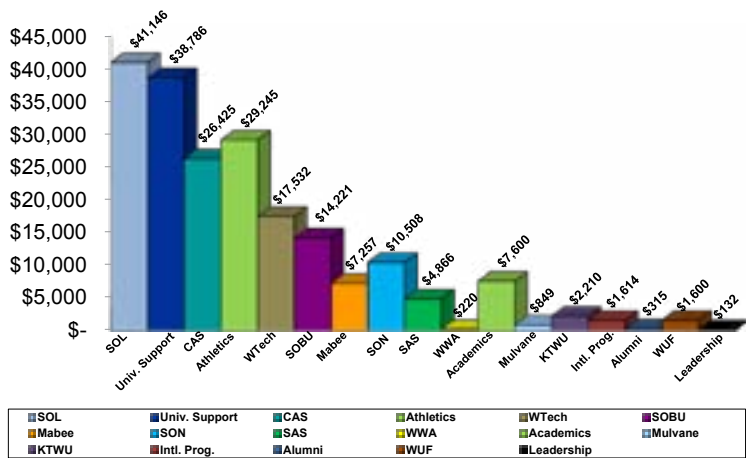

Many faculty and staff members are curious where contributions are allocated from the Faculty/Staff Campaign. Washburn employees may designate their contribution to any area or fund where they want their gift to make a difference. Fund descriptions fall into 4 major categories -- capital needs, program support, faculty support and scholarship funds.

Below are contributions from the 2015/2016 Faculty/Staff Campaign indicating areas of designation by the faculty and staff members who participated in the campaign.

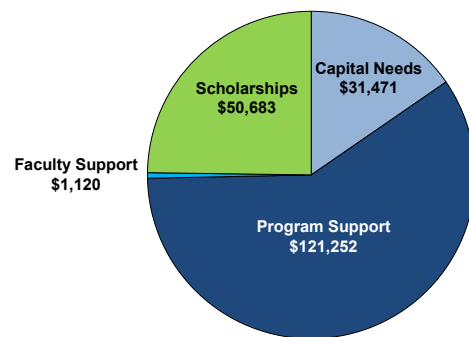

## **Breakdown of \$204,526 raised during the 2015/2016 Faculty/Staff Campaign by unit and purpose:**

From the \$204,526 raised during the 2015/2016 campaign, the bar graph illustrates which units were designated to receive funds. The pie chart breaks down total designations and shows how contributions fell into the 4 major categories of capital needs, program support, faculty support and scholarship funds.

### 2015/2016 Faculty/Staff Designations Summary by Unit

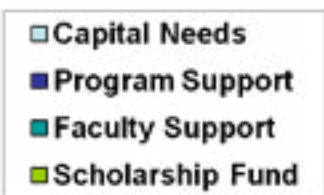

### 2015/2016 Faculty/Staff Designations Summary by Purpose

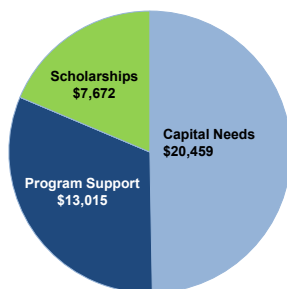

## **The following charts show breakdowns by individual units:**

The following pie charts show each individual unit listed above in the bar graph and breaks down the unit total into the 4 major categories of capital needs, program support, faculty support and scholarship funds.
